

Cleaner, safer water for healthier living.

Our STO system is built for the local water supply, combining a powerful water softener with a catalytic carbon filter to deliver whole-home protection.

Water problems addressed

- Nuisance minerals (hard water)
- Disinfection chemicals.
- Disinfection byproducts.
- Organic compounds (VOCs & SOG)

System benefits

- Softens water, removes chlorine byproducts, improves taste and odor.
- Protects plumbing systems.
- Extends the life of water-based appliances.
