STAY IN THE HOME YOU LOVE WITH A STILTZ HOMELIFT

Our home elevators can fit just about anywhere in your home

THE MODERN SOLUTION

A Stiltz Homelift is a safe, attractive, & affordable alternative to stairlifts. It requires no special machine room, and no supporting walls.

ECONOMICAL & FLEXIBLE

A Stiltz Homelift can fit just about anywhere in your house. It has a compact footprint, similar in size to a small armchair. A Stiltz Homelift plugs into a standard home electrical outlet, using less power than a coffee maker.

YOUR FOREVER HOME

Avoid the expense and distress of relocating, or the disruption of adapting your home for downstairs living. A Stiltz Homelift helps you live safely and independently in the home you love.

IT'S NEVER TOO SOON

Some Stiltz customers need a Homelift immediately. But others want to "future-proof" their homes for when the stairs become a challenge.

HOMELIFT SPECIALISTS

Stiltz is a world leading Homelift manufacturer, so you'll be in good hands. Your elevator will be installed and maintained by Stiltz trained professionals who truly care about your freedom.

"I can't imagine what we'd do without it. I wish we had installed our Stiltz Homelift several years ago!"

— Mr. James, Roanoke, VA
