STAY IN THE HOME YOU LOVE WITH A STILTZ HOMELIFT

Our home elevators can fit in almost any home

THE MODERN SOLUTION

A Stiltz Homelift is a safe, attractive, & affordable alternative to stairlifts. It requires no special machine room, and no supporting walls.

ECONOMICAL & FLEXIBLE

A Stiltz Homelift can fit just about anywhere in your house. It has a compact footprint, similar in size to a small armchair. A Stiltz Homelift plugs into a standard home electrical outlet, using less power than a coffee maker.

YOUR FOREVER HOME

Avoid the expense and distress of relocating, or the disruption of adapting your home for downstairs living. A Stiltz Homelift helps you live safely and independently in the home you love.

IT'S NEVER TOO SOON

Some Stiltz customers need a Homelift immediately. But others want to "future-proof" their homes for when the stairs become a challenge.

HOMELIFT SPECIALISTS

Stiltz is a world leading Homelift manufacturer, so you'll be in good hands. Your elevator will be installed and maintained by Stiltz trained professionals who truly care about your freedom.
