

STAY IN THE HOME YOU LOVE WITH A STILTZ HOMELIFT

Our home elevators can fit in almost any home

THE MODERN SOLUTION

A Stiltz Homelift is a safe, attractive, & affordable alternative to stairlifts. It requires no special machine room, and no supporting walls.

A Stiltz Homelift can fit just about anywhere in your house. It has a compact footprint, similar in size to a small armchair. A Stiltz Homelift plugs into a standard home electrical outlet, using less power than a coffee maker.

Avoid the expense and distress of relocating, or the disruption of adapting your home for downstairs living. A Stiltz Homelift helps you live safely and independently in the home you love.
